light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 23d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 24th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 25th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 26th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 27th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 28th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 29th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 30th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 31st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 1st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 2d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 3d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 4th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 5th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 6th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 7th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 8th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 9th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 10th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 11th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 12th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 13th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 14th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 15th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 16th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 17th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 18th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 19th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 20th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 21st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 22d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 23d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 24th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 25th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 26th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 27th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 28th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 29th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 30th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 31st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 1st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 2d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 3d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 4th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 5th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 6th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 7th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 8th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 9th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 10th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 11th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 12th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 13th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 14th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 15th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 16th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 17th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 18th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 19th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 20th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 21st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 22d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 23d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 24th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 25th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 26th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 27th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 28th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 29th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 30th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 31st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 1st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 2d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 3d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 4th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 5th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 6th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 7th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 8th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 9th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 10th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 11th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 12th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 13th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 14th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 15th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 16th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 17th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 18th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 19th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 20th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 21st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 22d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 23d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 24th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 25th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 26th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 27th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 28th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 29th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 30th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 31st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 1st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 2d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 3d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 4th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 5th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 6th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 7th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 8th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 9th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 10th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 11th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 12th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 13th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 14th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 15th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 16th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 17th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 18th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 19th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 20th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 21st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 22d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 23d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 24th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 25th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 26th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 27th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 28th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 29th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 30th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 31st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 1st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 2d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 3d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 4th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 5th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 6th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 7th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 8th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 9th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 10th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 11th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 12th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 13th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 14th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 15th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 16th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 17th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 18th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 19th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 20th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 21st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 22d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 23d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 24th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 25th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 26th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 27th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 28th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 29th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 30th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 31st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 1st

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 2d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 3d

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 4th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 5th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 6th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 7th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 8th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 9th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 10th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 11th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Friday 12th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Saturday 13th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Sunday 14th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Monday 15th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Tuesday 16th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Wednesday 17th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours

Thursday 18th

The first part of these 24 hours begins with
light winds & ends fair the middle part light winds
& ends these 24 hours
